

The background image is a wide-angle, aerial photograph of Sudeley Castle. The castle, a large, light-colored stone building with multiple gables and tall chimneys, is nestled in a valley. In the foreground, there are formal gardens with geometric hedges and paths. To the right of the castle, a church with a tall, spire-like tower is visible. The surrounding area is a mix of green fields, trees, and rolling hills under a blue sky with white clouds.
