

## SUDELEY CASTLE & GARDENS

*"I want to say a massive thank you... The day was absolutely perfect... All of our guests were so impressed with the venue, the lighting looked fab, the food was incredible, the day ran like clockwork, it was just perfect!"*

Lisa, Summer 2016

### Our Essential Providers

We've been hosting weddings at Sudeley Castle for a long time and, over the years, have really come to understand exactly what makes your day so special. There is no such thing as a 'standard' wedding here at Sudeley, every element is individually crafted for you.

Together with our Essential Providers we can create not only the perfect day but also unique and everlasting memories for you, your family and friends. If you haven't done so already we highly recommend that you come to visit us. Take a walk through the Queen's Garden and pick out the perfect spot for your first photographs, look out over the North Lawn and Tithe Barn where your Marquee Reception could be held, or step into the charming St Mary's Church, the final resting place of Queen Katherine Parr, and become part of our remarkable history spanning 1,000 years.

*“Our grandmother had travelled all the way from China, and she was certainly very impressed with the beautiful grounds, beautiful decorations, and all the wonderful people that made the day how it was!*

*All the staff were so efficient, organised, professional, and all knew exactly what was happening next.*

*Even when there were blunders on our behalf (e.g. running out of time to print out the seating plan, which we only confirmed 2 nights before the wedding due to last minute change in guest numbers), you quickly smoothed that and everyone was sat as I had planned”.*
