

## SUDELEY CASTLE & GARDENS

*“Thank you for all your help leading up to our wedding. It was honestly the best day of our lives!! Everything went so well, the marquee etc looked absolutely beautiful. It couldn’t have gone better & Jonny and I were saying we wouldn’t have changed a single thing.” Emily & Jonathan 2018*

### Our Essential Providers

We’ve been hosting weddings at Sudeley Castle for a long time and, over the years, have really come to understand exactly what makes your day so special. There is no such thing as a ‘standard’ wedding here at Sudeley, every element is individually crafted for you.

Together with our Essential Providers we can create not only the perfect day but also unique and everlasting memories for you, your family and friends. If you haven’t done so already we highly recommend that you come to visit us. Take a walk through the Queen’s Garden and pick out the perfect spot for your first photographs, look out over the North Lawn and Tithe Barn where your Marquee Reception could be held, or step into the charming St Mary’s Church, the final resting place of Queen Katherine Parr, and become part of our remarkable history spanning 1,000 years.

#### Ceremonies

Here at Sudeley Castle we can facilitate various types of ceremonies, services and blessings. Along with our partners we promise to make your experience uniquely personal.
